

Invitation to the Competition
COIMBRA GROUP 3-MINUTE-THESIS JAGIELLONIAN UNIVERSITY®

Organizer: Jagiellonian University
Co-organizer: Jagiellonian University PhD Student Association

Dear PhD Students,

I warmly invite you to participate in the Jagiellonian University Coimbra Group 3-Minute Thesis Competition®, whose primary aim is to popularise science.

The Competition involves presenting in English your doctoral research project in a three-minute oral presentation using one static slide only to the audience who are non-specialists in your discipline.

The Jagiellonian University, a member of the international Coimbra Group network, is now organizing the seventh edition of this Competition. For the first three winners, the University offers attractive prizes, including research stays at the universities affiliated with the Coimbra Group. The first-place winner will represent the Jagiellonian at the 3 MT Grand Final during Coimbra Group General Assembly, which will be held in Bologna, Italy in June 2025.

The CG-3MT– Jagiellonian University Competition has two stages:

Stage I: Jagiellonian University Jury selects up to 10 Speakers

Stage II: the Jury selects three winners out of the 10 Speakers

Regulations for the competitions organized at universities around the world under the common name 3 Minute Thesis (3MT®) were first developed at the University of Queensland, Australia in 2008.

The 2025 call, rules and the application form are there for you at:

https://3mt.coimbragroup.uj.edu.pl/en_GB/start

I strongly encourage you to participate in this unique event. Good luck!
